Splendid Time at Their Social and
Dance.

All who were fortunate enough
to be present at the social given
by the Sons of St. George at their
hall Monday night are loud in their
praises of those who had the man-
agement of the affair which gave
them such a pleasant evening.
The music was furnished by the
Kawaihau club and the usual
light refreshments were served.
Among the latter may be men-
tioned a huge Melton Mowbray
pork pie, so dear to the hearts of
Englishmen and those from York-
shire especially. The committee
of arrangements were Messrs. W.
F Reynolds, G S Harris and J
Tinker, while Fred. Weed did
good service as floor manager.

Those present were: Rev. A
Mackintosh and wife, W W Wright,
wife and family; G H Harris, wife
and family, Mrs. G K Schraeder
and Miss Margaret Nape of Wai-

System Broken Down

Distress—Pains in the Back

New Life and Strength Given by
Hood's Sarsaparilla.

"C. I. Hood & Co., Lowell, Mass.:
"Dear Sirs: I do not think there is any other
medicine on the market so good as Hood's Sar-
saparilla. I have taken only three bottles and
am now in better health than for three years.

My System Was Broken Down
so that my friends remarked upon my falling
away. I could not keep anything on my
stomach and I suffered terrible distress,
especially in the left side. I had a severe pain
in my back all the time so that I could not work.

Hood's Sarsaparilla Cures

Before I had taken one bottle of Hood's Sar-
saparilla the pain in my back was gone, the first
time for two years. I can eat anything and
keep it on my stomach without distress after-
wards. The trouble with my back is over and

I Can Work All Day
as years ago. When people remark upon the
change in my looks I tell them Hood's Sarsapa-
rilla did it." SEWARD TAPLIN, N. Volney, N. Y.

MRS. AUG. DARROW.

WELLS, RICHARDSON & Co.,

Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day; to
sum it all up, I was perfectly wretched. But thanks to Paine's Celery Compound I can now eat and sleep and
work just as well as I could before I was taken sick. When I commenced taking the Compound I weighed 136
pounds; I now weigh 158 pounds and do all the work for my family of five. I have recommended the Compound to three
families already and they are very much pleased with it. I am now taking my fifth bottle, and would recommend
it to all who are suffering with stomach trouble or nervous trouble.

Yours respectfully,
MRS. AUG. DARROW.
